

## **JULY 2006 UPDATE**

The OTC Rules Committee meetings scheduled for July and August have been canceled because persons essential to the rulemaking process are not able to attend the meetings. The Department will reschedule the meetings as soon as possible and provide notice of the rescheduled meetings.

The Department is continuing to work on the rules and is reviewing the issues raised in previous OTC Rules Committee meetings. Meeting notes will be posted as soon as the issues are resolved, so please continue to check this webpage for more information.
